Critical Areas Ordinance Update:

Notice of Determination of NonSignificance and Notice of Application

The City of Kelso issued a determination of nonsignificance (DNS) under the State Environmental Policy Act Rules (Chapter 197-11 WAC) for the following project: Updates to the Critical Areas Ordinance that apply outside of the shoreline jurisdiction as required by RCW 36.70(A).130 and proposed by the City of Kelso. After review of a completed environmental checklist and other information on file with the agency, the City has determined this proposal will not have a probable significant adverse impact on the environment.

Copies of the DNS are available at no charge from Tammy Baraconi, Planning Manager, Kelso City Hall, 203 S. Pacific, Kelso Wa. Additional documents can be found on the City's webpage, www.kelso.gov ^[3]. The public is invited to comment on the DNS with written comments no later than 4:30 on February 26, 2019 at the above address. Public testimony can be provided to the City Council on this item at the March 5, 2019 regular Council meeting.
